

Hold My Hand

I know the **cold wind...** (example)
I know the **sparkling stream...** (example)
I know the **singing bird...** (example)
I know the **whispering grass...** (example)

**I did not weave this web,
but I hold a single strand
you and I, we are connected,
so hold my hand.**

I know the _____ ...
I know the _____ ...
I know the _____ ...
I know the _____ ...

(refrain)

I know the _____ ...
I know the _____ ...
I know the _____ ...
I know the _____ ...

(refrain)

I know the _____ ...
I know the _____ ...
I know the _____ ...
I know the _____ ...

(refrain)

I know the _____ ...
I know the _____ ...
I know the _____ ...
I know the _____ ...

**I did not weave this web,
but I hold a single strand
you and I, we are connected,
so hold my hand...
so hold my hand.**
